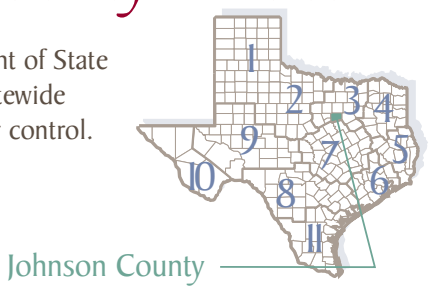
Selected Cancer Facts - Johnson County - 2009

Texas Selected Cancer Facts is provided by the Texas Cancer Registry (TCR) in the Department of State Health Services to briefly describe the impact of cancer on Texas residents. The TCR is a statewide population-based cancer registry that serves as the foundation of Texas comprehensive cancer control.

For additional information, visit our website at www.dshs.state.tx.us/tcr, or contact us at CancerData@dshs.state.tx.us.



In 2009, it is estimated that there will be 741 new cancer cases and 279 cancer deaths in Johnson County.

Average Annual Number of New Cancer Cases and Deaths, Leading 5 Sites, 2002–2006
