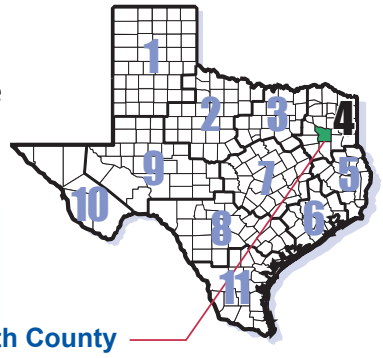
Texas Cancer Registry

2014 Texas Selected Cancer Facts

Smith County

Texas Selected Cancer Facts are provided by the Texas Cancer Registry (TCR), Texas Department of State Health Services. The TCR is a statewide population-based registry that serves as the primary source of Texas cancer data. These data are used to measure the Texas cancer burden, progress in cancer prevention and control, and support a wide variety of cancer research.



In 2014, it is estimated that there will be 1,219 new cancer cases and 460 cancer deaths in Smith County.
