Department of State Health Services

Schedules of Controlled Substances

PURSUANT TO THE TEXAS CONTROLLED SUBSTANCES ACT, HEALTH AND SAFETY CODE, CHAPTER 481, THESE SCHEDULES SUPERCEDE PREVIOUS SCHEDULES AND CONTAIN THE MOST CURRENT VERSION OF THE SCHEDULES OF ALL CONTROLLED SUBSTANCES FROM THE PREVIOUS SCHEDULES AND MODIFICATIONS.

This annual publication of the Texas Schedules of Controlled Substances was signed by John Hellerstedt, M.D., Commissioner of Health, and will take effect 21 days following publication of this notice in the *Texas Register*.

Changes to the schedules are designated by an asterisk (*). Additional information can be obtained by contacting the Department of State Health Services, Drugs and Medical Devices Group, P.O. Box 149347, Austin, Texas 78714-9347. The telephone number is (512) 834-6755 and the website address is http://www.dshs.state.tx.us/dmd.

Included in this republication is an amendment temporarily placing N-(1-phenethylpiperdin-4-yl)-N-phenylfuran-2-carboxamide (Other name: Furanyl fentanyl) including its isomers, esters, ethers, salts and salts of isomers, esters and ethers into Schedule I. This action was based on a final order from the Administer of the Drug Enforcement Administration dated November 29, 2016 and published in the Federal Register, Volume 81, Number 229, pages 85873-85877. The DEA took this action based on the following.

1. Furanyl fentanyl has a high potential for abuse;

2. Furanyl fentanyl has no currently accepted medical use in treatment in the United States;

3. There is a lack of accepted safety for use of furanyl fentanyl under medical supervision; and

4. Furanyl fentanyl poses an imminent hazard to public safety.

Pursuant to Section 481.034(g), as amended by the 75th legislature, of the Texas Controlled Substances Act, Health and Safety Code, Chapter 481, at least thirty-one days have expired since notice of the above referenced actions were published in the Federal Register. In the capacity as Commissioner of the Texas Department of State Health Services, John Hellerstedt, M.D., does hereby order that the substance Furanyl fentany placed temporarily into schedule I.
