Task Force of Border Health Officials

2022 - 2023 Priorities

"Start, Stop, Continue" Review

Instructions

- **Begin with "STOP"** - Determine if this priority has been achieved. If so, note this on the worksheet and start with a blank worksheet for the next recommendation.
- **If this priority is to "CONTINUE"** - determine if this priority needs to move into the 2023 priorities as it is currently stated or note if it needs to be revised. If it is to be revised, note the (1) supporting research and (2) resources required on the worksheet.
- **Once the review of the 2022 priorities is completed, conclude your review with a "START" worksheet** - any NEW priorities you think the TFBHO should consider going forward. Note the (1) supporting research and (2) resources required on the form.
- **Mr. John Villareal, Binational Coordinator, will compile your individual responses into a "master" sheet that the TFBHO will use as its guide for the Strategic Planning discussions during the December 8, 2022, TFBHO meeting.**
