

WORKGROUPS AND COMMITTEES

Cancer Alliance of Texas

Join members of the Cancer Alliance of Texas (CAT) in promoting and implementing the Texas Cancer Plan (Plan).

CAT promotes and implements the Plan to reduce the burden of cancer in Texas. Members participate in priority area workgroups (PAWs) and operational committees. The workgroups and committees convene stakeholders to work collaboratively to achieve the goals of the Plan.

Join a PAW or operational committee that aligns with your interest.

PAWs

- Tobacco Control PAW
- Screening and Early Detection PAW (breast, cervical, colorectal, and lung cancer screening)
- Disparities PAW
- Survivorship PAW

Operational Committees

- Communications Committee
- Membership Committee
- Nominations Committee

**CAT may establish other workgroups and committees to support its efforts.*
