

Taking the TB/HIV/STD Data Security and Confidentiality Course

1. Go to the HHS Learning Portal at learningportal.hhs.texas.gov/login/.
2. Log in. (if you don't have an account, see the instructions for creating one below)
3. Once logged in, click on the **All Courses button** on the HHS Learning Portal home screen.

All courses

4. Select **Department of State Health Services Courses**.
▶ Department of State Health Services Courses
5. Select **TB HIV STD Section**.
▶ TB HIV STD Section
6. Select **Data Security and Confidentiality**.
📁 Data Security and Confidentiality

7. Follow the step-by-step instructions to complete the course.
8. When complete, save your certificate to submit to the TBHIVSTD.AccountRequests@dshs.texas.gov for recording.

To create a new account on the HHS Learning Portal:

1. Select the **Create new account button** on the HHS Learning Portal log in screen.

Create new account

2. Complete all required fields and select **Create my new account**.

Create my new account
