

Behavioral Health Forum: Integrating the Science and the Practice for the Future

When: June 8, 2012, 5-7 pm

Where: MD Anderson
South Campus Research
Building 2, Rooms 1-3
7435 Fannin, Houston, Texas 77054

Introduction: Glenda Kane, Chair, Dept. of State Health Services Council

Moderator: Dr. Regenia Hicks, American Institutes for Research

Panelists:

- Dr. Ronald DePinho, President of the University of Texas MD Anderson Cancer Center;
- Dr. Stuart C. Yudofsky, M.D., D.C. and Irene Ellwood Professor and Chairman of the Menninger Department of Psychiatry and Behavioral Sciences of Baylor College of Medicine and Chairman of the Psychiatry Department of The Methodist Hospital;
- Dr. John M. Oldham, Senior Vice President and Chief of Staff of the Menninger Clinic, and Professor and Vice Chair of the Menninger Department of Psychiatry and Behavioral Sciences at the Baylor College of Medicine.

Purpose: The forum is being held to ensure the latest science and innovations in the field of mental health and substance abuse are considered as part of the behavioral health study currently being conducted as required by the Texas Legislature in Rider 71.
