

Regional Nurse Leaders

Linda Carpenter, PhD, RN, CNE, FAAN **Co-Leader, Central Texas Region**

Dr. Carpenter is Associate Professor of Clinical Nursing and Assistant Dean for Student Affairs at The University of Texas at Austin School of Nursing. Dr. Carpenter earned a BSN from The University of New Mexico, a MNSc from the University of Arkansas for Medical Sciences, and a PhD in Higher Education Administration with a minor in Nursing from the University of Arizona. She has held teaching positions at the University of Arkansas for Medical Sciences, the University of Arizona, and the University of Texas at Austin and earned a national certification as a Nurse Educator through the National League for Nursing. She has held many administrative positions including Coordinator of Academic Affairs at the College of Nursing at the University of Arizona, Director of the Blinn College Associate Degree in Nursing program, and Assistant Dean for Student and Clinical Affairs and Assistant Dean for Community Relations at the School of Nursing at The University of Texas at Austin as well as Division Chair for Family, Public Health and Nursing Administration. A major focus of her work at UT-Austin is serving the underserved population of children and families at the Children's Wellness Center, a nurse-managed school-based clinic founded with a partnership between the school district and the School of Nursing. She has developed work-study programs for nursing students and established a study abroad program for nursing students in Mexico. She has completed a study to assess the learning outcomes of the study abroad experience using concepts of cultural competence and a cultural awareness survey. Dr. Carpenter has been awarded two grants from the Texas Workforce Commission to create a certificate program to prepare practicing nurses for faculty positions, to ease the nursing faculty shortage. She was selected to serve a three-year term on the Task Group on Innovations in Curriculum Design for the National League for Nursing. She has served as a moderator, an abstract reviewer, and has been on the planning committee for several NLN Education Summits. Dr. Carpenter has also been inducted as a fellow in the American Academy of Nursing. She currently teaches graduate courses to prepare nurses for faculty and nurse educator positions

**Linda Klotz, PhD, RN
Co-Leader, East Texas Region**

Dr. Klotz has been a part of The University of Texas at Tyler since fall of 1982 when she was hired to help write the curriculum for a new baccalaureate program in nursing. As the program grew, she served as Undergraduate Coordinator for the baccalaureate program, then as Graduate Coordinator for the Master's programs. Dr. Klotz was appointed dean of the College of Nursing in May 1994, and has held the deanship role for the College of Nursing and Health Sciences since its creation in 2001. In this role, she oversaw the development of two satellite campuses for nursing in Palestine and in Longview as well as the initiation of the MS-Nurse Practitioner degree and the doctor of philosophy degree in nursing. Her previous experience includes dual roles at the University of Arizona College of Nursing and the Arizona Health Sciences Center in Tucson, Arizona. Research interests, publications, national and international presentations reflect both her clinical and her academic passions. Clinical publications explore hope and hopelessness in families with terminal illness; and the importance of the significant other. Her commitment to career mobility and access to higher education is seen in the development, implementation and evaluation of collaborative graduate programs and the use of distance education strategies at multiple sites for the baccalaureate programs. Dr. Klotz holds a PhD in nursing from The University of Texas. Her Master of Science degree is from the University of Arizona with a specialty in oncology nursing and a functional role of adult health nurse practitioner. Her baccalaureate nursing degree is from The University of New Mexico. She is a member of the American Association of Colleges of Nursing; the Advisory Committee on Education (ACE) for the Texas Board of Nursing; Oncology Nursing Society; and Texas Nurses Association.
