Call to Order/Roll Call J. Neal Rutledge, MD, Chair

Reading of the GETAC Vision and Mission Statements J. Neal Rutledge, MD, Chair

GETAC Vision:

A unified, comprehensive, and effective Emergency Healthcare System for a healthy and safe Texas.

GETAC Mission:

To promote, develop, and maintain a comprehensive data driven Emergency Healthcare System that will meet the needs of all patients and will raise the standards for high quality community health care by implementing innovative techniques and accountable systems for the delivery of emergency care for the entire population.

Review and Approval of August 2016 Meeting Minutes J. Neal Rutledge, MD, Chair

Discussion and possible action on the following items: Committee Members

1. Review the following objectives from the Strategic Plan for the Texas Emergency Healthcare System and report suggested revisions, updates and strategies for implementation to GETAC for immediate review by the Council on November 21st, 2016: J. Neal Rutledge, MD, Chair

Clinical Elements: Prevention objective

a. Provide evidence-based, culturally appropriate strategies for the identification and mitigation of risk factors for heart disease and stroke

Clinical Care objectives

a. Identify high priority clinical areas for dissemination of current information, standards, and opportunities for education

b. Advocate for the designation of Emergency Medical Services (EMS) as an essential public service

c. Reduce time from onset of illness/injury to definitive care

d. Deliver the highest quality care across the continuum of the Emergency Healthcare System

e. Utilize evidence-based / best practice metrics to assess all elements of the Emergency Healthcare System
