# EMS LOCAL PROJECTS GRANTS UPDATE

# LPG

## FY15

112 applications were received from Procurement and Contracting Services (PCS). We recommended \$1.3 million in LPG awards. Of the 112 applications, 62 received tentative awards and the announcement was posted on the Electronic State Business Daily (ESBD) Board. DSHS and HHSC conducted negotiations with several listed tentative awardees after the tentative list was posted. HHSC is currently working on emailing FY 15 EMS/LPG contracts with start dates of 5/1/2015 and 5/15/2015. The end date for these contracts will be 8/31/2015.

Please contact Rosalyn Lazare-Payne at HHSC PCS at (512) 776-2684 or [Rosalyn.lazare-payne@hhsc.state.tx.us](mailto:Rosalyn.lazare-payne@hhsc.state.tx.us) with questions regarding the FY15 EMS/LPG Program.

## FY16

The FY16 Request for Proposal (RFP) was posted on the ESBD/HHSC website on April 1, 2015 and closed May 21, 2015. Questions and answers segment closed on 5/12/2015 and a listing of the questions and answers are to be posted on 5/13/2015 on the ESBD/HHSC website.

Please contact the Procurement Project Manager at HHSC for questions regarding the FY 16 EMS/LPG Program: Mahsa Azadi at [mahsa.azadi@hhsc.state.tx.us](mailto:mahsa.azadi@hhsc.state.tx.us) or (512) 206-4785. We expect the timeline for the FY16 funding cycle to be more in line with our normal LPG process, which will result with contracts starting in October 2015.

The care of human life and happiness, and not their destruction, is the first and only object of good government.....Thomas Jefferson

## 84th Legislative Session Summary

### HB2020:

This bill would allow certified Paramedics and Licensed Paramedics to provide health care services to include advanced life support in an emergency or urgent care clinical setting, hospital emergency room/ department or free standing emergency medical care facility.

### HB 2498:

This bill is related to a compact with other states regarding the licensure of emergency medical services (EMS) personnel and the authority of those personnel to perform job duties in Texas and other states. This is a national compact called Recognition of EMS Personnel Licensure Interstate Compact (REPLICA). The compact is intended to facilitate the day to day movement of EMS personnel across state boundaries in the performance of their EMS duties.

### SB 1899:

Supports HB 2020 but added additional requirements for EMS providers and personnel:

- Jurisprudence exam for providers and/ or personnel
- Physical location of an EMS provider
- Provide proof of owner/lease of EMS equipment
- Documentation that only one EMS provider at one location
- Demonstrate proof of compliance with Texas laws/rules

### SB 1574:

This bill is related to emergency response employees or volunteers and others exposed or potentially exposed to certain diseases or parasites. This bill requires a “designated infection control officer” by each emergency responder organization based on standards set by rule.

## Nursing facilities now required to inform EMS of AED installation

Effective April 29, 2015: The Department of Aging and Disability Services (DADS) has adopted Texas Administrative Code §19.1935 concerning automated external defibrillators. The new section of Chapter 19, Nursing Facility Requirements for Licensure and Medicaid Certification, requires nursing facilities to have an automated external defibrillator (AED) available for use at the facility and contains training, use and notification requirements that are consistent with Texas Health and Safety Code Chapter 779 relating to AEDs.

Chapter 19 requires nursing facilities to notify the local emergency medical services provider within 24 hours after acquiring an automated external defibrillator of:

- the existence of the automated external defibrillator;
- the location of the automated external defibrillator in the facility; and
- the type of automated external defibrillator.

Facilities must also notify local emergency medical services provider by calling 9-1-1, per standard CPR procedures, while using an automated external defibrillator on a resident. Read more on [Rule §19.1935](#) of the Texas Administrative Code.

*Kathy Perkins, on the left, was presented the award by TTCF President, Courtney Edwards.*

**Kathy Perkins receives a lifetime achievement award from the Texas Trauma Coordinators Forum (TTCF)**

The TTCF Lifetime Achievement Award is given to honor an individual who has made significant fundamental contributions to trauma care. These contributions whether they have been in injury prevention, research, leadership or mentorship, must have had a lasting impact on the trauma field and must have demonstrated a lifetime commitment to injury prevention and trauma care.

## EMS Obituaries

Kristin McLain

**Kristin McLain**, 46 of Austin, died April 27, 2015, while assisting in the rescue of a woman who had fallen in the Barton Creek Greenbelt in Austin Texas. Kristin gave her life in performing EMS care as she dedicated her life to helping others.

Kristin McLain worked for STAR Flight for seven years as a registered nurse licensed paramedic in the aerial emergency medical service. Our thoughts and prayers go out to Kristin's family and friends.

Ruben Lopez, MD

**Ruben Lopez, MD** passed away June 5, 2015 after a long battle with cancer. Dr. Lopez served as the Trauma Medical Director at Valley Baptist Medical Center and taught at the University of Texas Health Science Center in San Antonio and the Regional Academic Health Center (RAHC) in Harlingen. He previously served on the Trauma Committee of the Governor's EMS and Trauma Advisory Council. Dr. Lopez was a dedicated surgeon, teacher and leader focused on improving the care of injured patients throughout Texas and the Rio Grande Valley.

NEWS FROM THE WEB

FEATURED ARTICLES

The Internet Crime Complaint Center (IC3) has issued an alert warning that law enforcement personnel and public officials may be at an increased risk of cyber attacks. Doxing—the act of gathering and publishing individuals’ personal information without permission—has been observed. Hacking collectives may exploit publicly available information identifying officers or officials, their employers, and their families. These target groups should protect their online presence and exposure. Please review the IC3 Alert www.ic3.gov/media/2015/150421.aspx for details and refer to US-CERT Tip ST06-003 (https://www.us-cert.gov/ncas/tips/ST06-003) for information on staying safe on social network sites.
