

# Faith Your Fears – Take the Test

The National Week of Prayer for the Healing of AIDS is the coming together of all people of faiths to unite with purpose, compassion and hope. Through the power of God's love we will educate every American about HIV prevention facts; encourage and support HIV testing; advocate for the availability of compassionate care and treatment for all those living with the disease in every community in America; and love unconditionally all persons living with and affected by HIV/AIDS. We hope to bring national attention to the AIDS epidemic in the United States and the extraordinary role faith communities can play in addressing the HIV and AIDS pandemic.

On Sunday, March 4, 2012, many Austin area churches will focus their Sunday services on awareness and prevention of HIV/AIDS in our community. We would like to thank our partners for speaking out about HIV/AIDS, reaching out to those infected or affected, and fighting the stigma.

A special thank you to all of the churches that participated for your time, support, and attention to this growing pandemic.  
We could not have done this without you.

# Austin Area Week of Prayer Events and HIV Testing Opportunities

Thank you for joining us as we commemorate the 2012 National Week of Prayer for the Healing of AIDS. The highlight of the week is a service at Simpson Methodist Church on Thursday evening followed by a poetry slam at 11<sup>th</sup> Street Station focusing on HIV/AIDS and stigma. We invite you to visit our community partners for HIV testing throughout the week. Testing is free unless a fee is noted.
