

# Texas HIV Treatment Cascade, 2013

Jonathon Poe, MSSW  
Epidemiology and Supplemental Projects Group  
Manager  
Texas Department of State Health Services

# Origin of the Cascade

- Graphical representation of the HIV Care Continuum
- Shows steps from HIV diagnosis, care and treatment, through viral suppression
- Annually created using HIV Surveillance data, Care Services data, and Electronic Lab Reports.

# Four Bars of the Cascade

- No. of Diagnosed PLWH
- No. of PLWH with Met Need in 2013
- No. of PLWH with 2 visits or labs 3 to 6 months apart
- No. of PLWH virally suppressed at end of 2013

# Texas HIV Treatment Cascade, 2013

# No. of Diagnosed PLWH, 2013

# No. of PLWH with Met Need, 2013

# PLWH with 2 visits or labs 3 to 6 months apart

# PLWH Virally Suppressed, 2013

# Dallas HSDA HIV Treatment Cascade, 2013

# Fort Worth HSDA HIV Treatment Cascade, 2013

# Texas MSM HIV Treatment Cascade, 2013

# Dallas MSM HIV Treatment Cascade, 2013

# Fort Worth MSM HIV Treatment Cascade, 2013
