

Prevention with PLWH

What's our ultimate goal??

Sustained participation in HIV related medical care

How do we do this?

- Linkage Coordinator
- ARTAS
- Peer Navigators
- Partnerships

So what's this linkage I keep hearing about?

Linkage to HIV related medical care
Working with a client to establish an HIV related
medical care appointment. Follow up with the
client and prepare client for medical care
experience that the client attended the
appointment.

DSHS Expectations...

- DSHS expects an immediate response to an
HIV related inquiry.
- Resource the needs for
linkage engagement.
- Ensure all linkage requests are completed
within the required time frame.

But we're not funded for PWP!

- Be resourceful
- Be creative
- Do something!

Client is linked, yay!! Now what?

- CRCS
- Healthy Relationships
- CLEAR

So what's this linkage I keep hearing about?

Linkage to HIV related medical care
Working with a client to establish an HIV related
medical care appointment. Follow up with the
client and prepare client for medical care
experience that the client attended the
appointment.

DSHS Expectations...

- 100% of eligible individuals who are not in care
will be linked to care within 30 days
- Resourcize the needs for
linkage engagement
- Ensure all linkage coordinators are trained
and certified in linkage engagement

But we're not funded for PWP!

- Be resourceful
- Be creative
- Do something!!

Client is linked, yay!! Now what?

o what's this linkage I keep hearing about

Linkage to HIV related medical care:

Working with a client to establish an HIV related medical care appointment; follow up with the client and prepare client for medical care; confirm that the client attended the appointment

How do we do this?

Linkage Coordinator

ARTAS

Peer Navigators

Partnerships

DSHS Expectations...

85% of all people who test positive must be linked to HIV related medical care

Recognize the need for longer engagement

Evidence of follow up and confirmation to medical care must be documented in client file

Client is linked, yay!! Now what?

CRCS

Healthy Relationships

CLEAR

But we're not funded for PWP!

Be resourceful

Be creative

Do something!!

What's our ultimate goal??

Sustained participation in
HIV related medical care
