"Many ideas grow better when transplanted into another mind than the one where they sprang up."
- Oliver Wendell Holmes

"An essential aspect of creativity is not being afraid to fail."
- Edwin Land

"It is better to be boldly decisive and risk being wrong than to agonize at length and be right too late."
- Marilyn Moats Kennedy

"Learning and innovation go hand in hand. The arrogance of success is to think that what you did yesterday will be sufficient for tomorrow."
- William Pollard

Human progress is neither automatic nor inevitable... Every step toward the goal of justice requires sacrifice, suffering, and struggle, the tireless exertions and and passionate concern of dedicated individuals."
- Martin Luther King, Jr.

"Conversation is a meeting of minds with different memories and habits. When minds meet, they don't just exchange facts: they transform them, reshape them, draw different implications from them, engage in new trains of thought. Conversation doesn't just reshuffle the cards: it creates new cards."
- Theodore Zeldin

"Creating a positive future begins in human conversation. The simplest and most powerful investment any member of a community or an organization may make in renewal is to begin talking with other people as though the answers mattered."
- William Greider, Who Will Tell the People?

Human progress is neither automatic nor inevitable... Every step toward the goal of justice requires sacrifice, suffering, and struggle; the tireless exertions and and passionate concern of dedicated individuals."
- Martin Luther King, Jr.

"If you do what you've always done you'll get what you've always gotten."
- Anthony Robbins
