AA Successes

Hello All,

It's not often that we have time to come together to talk about what a great job each Administrative Agency is doing in their regions, but this will be your **"Time to Shine."**

Each AA will be given 10 minutes to share their successful practices, situations or processes with others from different regions.

Tell us about:

- Something new that's happening in your region (new grant, new program, new agency, etc.)
- Something you're proud of that's happening in your region (best practices, recognition for work above and beyond)
- Something you (AA, your agencies, etc.) find challenging with the work you do in your region
