

# Bat Rabies Awareness and Prevention Poster Contest - Vote for Your Favorites!!

School grounds are the number one location in Texas for exposure to rabid bats. This is why the Texas Department of State Health Services (DSHS) is having a bat rabies awareness and prevention poster contest.

Students were asked to create original images/messages to educate people about bat rabies and how to prevent rabies exposures and infections. The posters are in 2 categories:

- a) K-5<sup>th</sup> grade
- b) 6<sup>th</sup> grade through 8<sup>th</sup> grade

Please vote for your favorite poster in each category. Use the ballots provided and place them in the box.

Deadline for voting is \_\_\_\_\_. The winning poster from each category will be forwarded to the DSHS and will be entered into a statewide poster contest!

K-5<sup>th</sup> Grade

6<sup>th</sup>-8<sup>th</sup> Grade
