

**The Public Health Laboratory of East Texas (PHLET) invites you to attend an IATA/CFR Infectious Shipping Training on Wednesday, May 18th, from 12:00 - 4:00pm at UTHSCT BMR Auditorium**

**Do you ever ship patient/animal specimens, genetically modified organisms, or infectious substances?**

**Do you distribute shipping materials to and/or educate patients in the shipping of specimens?**

**Do you directly supervise an employee that ships infectious substances or patient samples?**

**If so, then you are required to be trained in the shipping of infectious goods. When does your certification expire? What about afternoon, night, and weekend shifts?**

**COST: FREE**

**TO ATTEND, PLEASE REGISTER BY FILLING OUT THE ATTACHED FORM AND EMAIL IT TO [jeremy.jordan@uthct.edu](mailto:jeremy.jordan@uthct.edu) OR FAX TO (903) 877-5259.**

**Topics will include:**

- Shipping regulations for infectious substances, genetically modified organisms, and patient specimens.
- Penalties for non-compliance.
- Shipper Responsibilities.
- Where to get shipping containers.

**Hands-on exercises will be held so you may ask any questions.**

**Each attendee will receive certification valid for two years from the day of training.**

***Please feel free to bring your lunch to the training.***

**When: Wednesday, May 18th, from 12:00 -4:00pm**

**Where: Biomedical Research Auditorium of UTHSCT**

**Trainer: Jeremy Jordan, MS, Certified Packing & Shipping Trainer**

**Contact information: [jeremy.jordan@uthct.edu](mailto:jeremy.jordan@uthct.edu) phone: (903) 877-5071 fax: (903) 877-5259**
