

# Annual MHSA Stakeholder Forum!!!

**Wednesday, July 24, 2013 from 5 – 6:30 PM  
Room 19-B, 4th Floor, Austin Convention Center (North Side)**

*Hosted by the Committee on Advising and Planning (CAP) for the Prevention and Treatment of Mental Health and Substance Abuse Disorders and the Texas Department of State Health Services Mental Health and Substance Abuse Division*

We cordially invite you to join us for what promises to be a lively exchange with members of the CAP, DSHS leadership and your colleagues across the state. This is an excellent opportunity to share your perspective and pose questions to CAP and DSHS MHSA leadership on these topics and all others:

- The future of the MHSA Service Delivery System
- The 83rd Legislative Session
- Health Care Reform
- 1115 Transformation Waiver
- Workforce Development
- Mental Health Parity and Addiction Equity
- Peer Support and Recovery

**At the conclusion of the discussion, we will hold a drawing and one lucky attendee will win a complimentary registration to the 2014 Texas Behavioral Health Institute (\*must be present to win).**

We value the lived experience and the contributions of our many stakeholder partners, including consumers, families, providers, advocacy groups, human service agencies, and legislators. We aim to strengthen these partnerships by hearing from those who use services, provide services, and/or provide advocacy for our public behavioral health system.

## **Get Involved!**

To learn more about the CAP, including subcommittees that are actively soliciting new members, please plan to attend the quarterly meeting for the Committee on Advising and Planning (CAP) for the Prevention and Treatment of Mental Health and Substance Abuse Disorders takes place Thursday, July 25, from 10 AM – 3:30 PM in room 10-AB, 3rd Floor, Austin Convention Center (North Side). You're welcome to stop in at whatever point your schedule allows.

*Note that members of the public are welcome to attend both the Stakeholder Form and the CAP meeting regardless of registration to attend the Behavioral Health Institute.*
