Subject: **Statewide Substance Abuse Treatment Plan Review**

The Department of State Health Services (DSHS) Quality Management and Compliance Unit (QM) completed a Statewide Substance Abuse Treatment Plan Review in Fiscal Year 2011. QM submitted the Statewide Substance Abuse Treatment Plan Review final report to Contractors on June 24, 2011.

The Fiscal Year 2012 Statewide Treatment Plan Review is cancelled. During Fiscal Year 2013 we will incorporate treatment plan elements into a review of assessments, treatment plans, and progress notes. Contractors should continue evaluating all active treatment plans to ensure that Quality Assurance reviews result in a score of 90%.
