March 7, 2011

The Texas Department of State Health Services has granted acceptance of the following crabmeat, which has been processed outside of the United States. The department has received documentation from each firm's appropriate governmental authority certifying that the crabmeat is produced under controls complying with all sanitation and health conditions required by the laws and regulations of its health department and those of the State of Texas. The following is a list of those labels presently accepted by the Seafood and Aquatic Life Group for distribution and sale in Texas. Any other labels are subject to detention and destruction.

### Label Information

The acceptance granted to these out-of-country processors to allow the sale of their crabmeat in Texas shall correspond with the Texas crab plant-licensing season. Therefore, **the acceptance shall expire no later than 11:59 p.m. on February 29, 2012.** Questions concerning the sale of crabmeat produced outside the United States should be addressed to this office either by mail or telephone (512) 834-6757.

Sincerely,

Kirk Wiles  
Group Manager  
Seafood and Aquatic Life Group
