

2011 Texas Selected Cancer Facts

Selected Cancer Facts are provided by the Texas Cancer Registry (TCR), a collaboration of the Texas Department of State Health Services, National Program of Cancer Registries-Centers for Disease Control and Prevention, and Cancer Prevention and Research Institute of Texas. The TCR is a statewide population-based registry that serves as the primary source of Texas cancer data. These data are used to measure the Texas cancer burden, progress in cancer prevention and control, and support a wide variety of cancer research.

Cancer remains a significant public health issue in Texas:

- Cancer is the leading cause of death for Texans aged 85 years and younger.
- Cancer is the leading cause of death from disease among Texas children aged 1 to 14 years.
- In 2011, it is estimated that 107,111 Texans will be newly diagnosed with cancer and 38,586 will die of the disease.
- For 2007, it is estimated that there were 441,416 cancer survivors in Texas who were diagnosed between 1996 and 2006.
- The estimated cost of cancer in Texas for 2010 is \$25.3 billion.*

Average Annual Number of New Cancer Cases, 10 Leading Sites, Texas, 2004–2008

Average Annual Number of Cancer Deaths, 10 Leading Sites, Texas, 2004–2008

Male

The average annual number of all cancer deaths among males in 2004-2008 was 18,482.

Female

The average annual number of all cancer deaths among females in 2004-2008 was 16,286.

Cancer Rates by Race, Ethnicity and Sex, Texas, 2004–2008

Incidence

Mortality

Trends in Cancer Incidence and Mortality, Texas, 2003–2007

Incidence

Mortality

- Although rates of new cancer cases and deaths are declining, the numbers of new cases and deaths are increasing because our population is aging and growing.

This fact sheet was prepared by the Cancer Epidemiology and Surveillance Branch, Texas Department of State Health Services. Incidence data in this fact sheet based on 1995-2008 Incidence File, Sub 11-24-2010. Mortality data in this fact sheet based on 1990-2008 Mortality File, (Created 03/31/11). For questions regarding data presented in this fact sheet, contact the Cancer Epidemiology Group by calling 1-800-252-8059, or e-mail: CancerData@dshs.state.tx.us. More detailed information on specific cancers and risk factors are also available on our website. Visit us online: <http://www.dshs.state.tx.us/tcr>.
