

2014 Texas Selected Cancer Facts

Gregg County

Texas Selected Cancer Facts are provided by the Texas Cancer Registry (TCR), Texas Department of State Health Services. The TCR is a statewide population-based registry that serves as the primary source of Texas cancer data. These data are used to measure the Texas cancer burden, progress in cancer prevention and control, and support a wide variety of cancer research.

Gregg County

In 2014, it is estimated that there will be 683 new cancer cases and 261 cancer deaths in Gregg County.
