

Dear Audiologists, Managers and Supervisors:

**Promote your pediatric audiology facility!
Be recognized in the new EHDI PALS Directory.
DSHS asks you to complete this online survey.**

**EHDI Pediatric Audiology Links to Services (PALS):
A National Pediatric Audiology Facilities Directory**

EHDI PALS is designed to help families of children birth to 5 years of age locate appropriate pediatric diagnostic audiology and hearing technology services.

It is anticipated that the directory will be available in 2012.

Your participation in this survey will help ensure that the **EHDI PALS** Directory is comprehensive and accurate. This survey should take *approximately 10 minutes* to complete. <http://www.surveymonkey.com/s/8DQ7B66>

We appreciate your help.
