

**Organizations Receiving Data from Texas Health Care Information Collection Program
Health and Safety Code, Chapter 108**

In accordance with Health and Safety Code, Section 108.012(b), "the council (department) may charge a person requesting public use or provider quality data a fee for the data. The fees may reflect the quantity of information provided and the expense incurred by the council in collecting and providing the data and shall be set at a level that will raise revenue sufficient for the operation of the council (department's program). The council (department) may not charge a fee for providing public use data to another state agency. Chapter 108 may be viewed by clicking [here](#).

This is a list of organizations that have received data and the payment amounts for the number of calendar quarters of data.
