

WORKSHOP: PROBLEMS IN BIRTH REGISTRATION

Derek Johnson

Field Services Representative

December 9, 2015

- ▶ Describe how you would handle a mother and father who appear unwilling to provide statistical information for the birth record.

WORKSHOP: PROBLEMS IN BIRTH REGISTRATION

- ▶ How would you handle a birth record in which the father wishes to be listed as “Sr.” on the birth record when his son will be listed as “Jr.?”

WORKSHOP: PROBLEMS IN BIRTH REGISTRATION

- ▶ A same-sex couple wants to add the other party to the birth certificate. The couple said they were married in another state about 3 or 4 years ago. The child was born in 2014. How would the couple be added the other party's name to the birth certificate?

WORKSHOP: PROBLEMS IN BIRTH REGISTRATION

- ▶ The mother passed way, so the father is trying to file the birth certificate. The father is now out of state and says there is no way for him to get back to file the birth record. What does he need to do since the blue birth certificate cannot be mailed to him, according to Section 181.26(3)(K) of the Texas Administrative Code?

WORKSHOP: PROBLEMS IN BIRTH REGISTRATION

- ▶ A parent goes to a local registrar's office to file a home birth. The only information she has is an affidavit stating the date of birth. What other sorts of records could she provide in order to meet the other three proofs of home birth?

WORKSHOP: PROBLEMS IN BIRTH REGISTRATION

- ▶ A parent goes to a local registrar's office to file a home birth that occurred over one year ago. What steps would need to be completed in order to file the record?

WORKSHOP: PROBLEMS IN BIRTH REGISTRATION

- ▶ A couple is not married. The biological mother has a male husband but wants a female partner on the birth certificate. How would the birthing center handle this situation?

WORKSHOP: PROBLEMS IN BIRTH REGISTRATION

- ▶ A set of triplets is born. One of the triplets dies. What steps would you take to enter the birth and birth order in the TER system?
