WIC Local Agency Directors

**FROM:** Linda Brumble, Unit Manager (Original Signed)  
Nutrition Education/Clinic Services Unit  
Nutrition Services Section

**DATE:** February 16, 2007

**SUBJECT:** Women's Health Program added on IDL Class Schedule February 22, 2007

---

In order to make critical referral information accessible to staff in the local agencies, an additional IDL session on "Critical Referrals to Outside Agencies" will be presented on Thursday, February 22, 2007 at 12:00 p.m. This particular session will cover how and when to refer participants to the new Women's Health Program.

Currently, the class description listed on the website for this session is very general and does not list the different referral programs that may be covered. We are working on changing the class description so that WIC staff can determine which referral program will be covered in each IDL presentation.

If you have any questions regarding the Interactive Distance Learning schedule or your system, you may contact Yolanda Baz Dresch, Studio Manager, (512) 458-7111 extension 6510 or [yolanda.bazdresch@dshs.state.tx.us](mailto:yolanda.bazdresch@dshs.state.tx.us).
