**DATE:** March 9, 2007

**SUBJECT:** Enfamil with Iron and Enfamil ProSobee Discontinued

---

Enfamil with Iron will soon be discontinued and has been removed from your pick list effective March 1, 2007. Participants currently receiving Enfamil with Iron will automatically receive Enfamil LIPIL for new issuances beginning March 1, 2007. Participants who received Enfamil with Iron before March 1 can redeem their vouchers and EBT benefits as long as the product is still on vendor shelves in their area.

Enfamil ProSobee stopped being produced in July 2006. The product has been available on store shelves in limited amounts since then. It has been inactivated on your pick list effective March 1, 2007. Participants receiving Enfamil ProSobee will automatically receive ProSobee LIPIL beginning March 1, 2007 for new issuance.

These changes affect both TX WIN and EBT.

Please discontinue ordering Enfamil with Iron sample formula. Remaining Enfamil with Iron samples can be used to assist participants who need to transition from Enfamil with Iron to Enfamil LIPIL.
