SUBJECT: **Fact Sheet Survey**

The State Agency is currently reviewing the *WIC Fact Sheets* with the intent to make necessary changes. We would appreciate your participation in a survey to help us determine what changes need to be made.

Fact Sheets are used to provide local agency WIC educators with additional background information about topics, conditions, or concerns that may come up when interacting with WIC participants. The plan is to update the factsheets that are utilized the most and create more for the areas that need to be addressed. We are asking each local agency to participate. If you would like to review any of the *Fact Sheets* before completing the survey, they are available online at: <http://www.dshs.state.tx.us/wichd/nut/facts-nut.shtm>.

Please pass this survey link on to any of your staff involved in nutrition education, including high risk RDs. **The *WIC Fact Sheet Survey* is available at:** <http://www.surveymonkey.com/s/SLV232L>. We would like as much feedback as possible within the next two weeks from staff that utilize *Fact Sheets*.

If you have questions or require additional information, please contact Erin Thornberry, Nutrition Education Consultant, at (512) 341-4580 or erin.thornberry@dshs.state.tx.us.
