

DSHS Breastfeeding Class Schedule

The Department of State Health Services (DSHS) offers a variety of breastfeeding education opportunities in person across the state as well as on-line. At this time, classes for physicians are still scheduled upon request. All other classes, refer to the registration information provided or click on the link below. Information can be found at <http://www.dshs.texas.gov/wichd/lactate/courses.shtm>.

Schedules are subject to change and classes may be cancelled at the discretion of management if minimum attendance requirements have not been met. It is highly recommended to confirm class date prior to attending or making non-refundable travel arrangements. If you have questions about these classes or would like more information about hosting a class at your facility, please see our [website](#) for information or contact Missy Hammer at 512-341-4457 or Missy.Hammer@dshs.texas.gov.

Online Breastfeeding Training!

We are now offering Breastfeeding Management and Breastfeeding the Compromised Infant as self-paced online courses. Each course will consist of 5 parts and are no longer offered as an in-person class. The classes are free and you may take them at your own pace. Check the DSHS website above for links to these courses.
