

## Texas WIC Program Breastfeeding Class Schedule

The Health and Human Services (HHS) Women, Infants and Children (WIC) Program offers a variety of breastfeeding education opportunities in-person across the state as well as on-line. Classes for physicians are scheduled upon request and are not currently offered in an on-line format. Information on classes and registration can be found at <http://www.dshs.texas.gov/wichd/lactate/courses.shtm>.

Schedules are subject to change and classes may be cancelled at the discretion of management if minimum attendance requirements have not been met or weather conditions are unsafe. It is highly recommended to confirm class date prior to attending or making non-refundable travel arrangements. If you have questions about these classes or would like more information about hosting a class at your facility, please see our [website](#) for information or contact Missy Hammer at 512-341-4457 or [Missy.Hammer@hpsc.state.tx.us](mailto:Missy.Hammer@hpsc.state.tx.us).

### Online Breastfeeding Training!

We now offer Breastfeeding Management and Breastfeeding the Compromised Infant as self-paced online courses. The classes are free and you may take them at your own pace. Each course will consist of 5 parts and are no longer offered as an in-person class. Check the website above for links to these courses. New classes are being added so be sure to check back.

### Class Key:

POLM – Principles of Lactation Management (2 days, \$65 registration fee, no pre-requisite)

LCPS – Lactation Counseling and Problem Solving (1 day, \$35 registration fee, 1 pre-requisite)

CLP – Clinical Lactation Practicum (2 days, \$65 registration fee, 2 pre-requisites)

Specific dates for Degreed vs non-degreed students

PHYS – Physician Education – 3 available (1.5 hours each, free to host and attend)

Visit our [website](#) for content and requirements for hosting a class.

- Phys1 – Supporting Breastfeeding When Challenges Occur
- Phys2 – The Ten Steps: Evidence-Based Care to Support the Mother Baby Dyad, Steps 1-4
- Phys3 – The Ten Steps: Evidence-Based Care to Support the Mother Baby Dyad, Steps 5-10
