Significant Changes to Whole Milk for WIC participants

Effective October 1, 2009, women WIC clients and children WIC clients 2 years and older will only be allowed to choose Reduced Fat Milk (2%), Low Fat (1% or ½ %), and Non Fat Milk (Skim or Fat Free).

Currently these clients may choose what type of milk they prefer-whole, reduced fat, low fat or fat free. 75 – 85% choose Whole Milk.

This will change effective October 1, 2009. All WIC children age 2-5 years old and Women must choose fat-reduced milk.

Only children age 1 – 2 years old will continue to receive Whole Milk Only.

If you have questions about this please call 1-800-252-9629, ext 2298 and speak to a Vendor Trainer.
