## Discontinued Items effective January 1, 2010

This is a reminder to all WIC grocers that effective January 1, 2010 a long standing WIC food category, the 46-oz fluid juices are NO LONGER a WIC Approved Item. Also, as an every year occurrence some of the adult breakfast cereals will no longer be approved by the WIC Program. The Malt-O-Meal Crispy Rice in the 18-oz box & 36-oz bag along with the General Mills 18-oz box of Raisin Bran are no longer approved by the WIC Program after January 1, 2010.

In addition to the foods that after 1/1/2010 will no longer be authorized by the WIC Program, the Program is updating the Approved Foods Brochure and Approved Foods Posters to reflect items that didn't get listed on the brochure/poster and some that were listed on the brochure/poster but didn't get produced. When the updated approved foods brochure/posters become available please plan on replacing old versions with the new versions.

If you have questions about the approved foods please call the WIC State Office at (800) 252-9629, ext 2298.
