Product No Longer Allowed – Quarts of Lactose Free Milk

Effective April 1, 2015, the Texas WIC Program will no longer issue Quarts of Lactose Free Milk to WIC Participants and the Quarts of Lactose Free Milk will no longer be in the Authorized Product List (APL). This is to allow WIC Participants with a lactose free milk food package to purchase the Quart of Yogurt.

Our intent is to provide vendors with sufficient notice of this approved foods change. Please inform your managers and cashiers of this change.
