Website Down Impacting WIC Information

The Department of State Health Services (DSHS) agency website is temporarily unavailable, which means WIC Vendors will not be able to access WIC program information. We apologize for the inconvenience and thank you for your patience. WIC vendors will be notified as soon as the website is back online.

If you have any questions, please contact the WIC Vendor Outreach Branch at WICVendorRelations@dshs.texas.gov or 1-800-252-9629.
