

Department of State Health Services Youth Camp Inspection Matrix

Number	Violation	TAC § Number	Regulation	Significant Level III	Serious Level II	Critical Level I
1	Operating without a valid license.	HSC §141.003	" A person may not own, operate, control, or supervise a youth camp unless the person: (1) holds a license issued under this chapter for that camp; and (2) complies with this chapter and department rules and orders."			X
2	Qualified on-site adult director.	25 TAC §265.12(a)	"On-site director required. Each youth camp shall be under the on-site direction of a qualified adult with at least two years of experience working with children. The director shall be knowledgeable in camp administrative practices and shall have at least one year of leadership experience with an organized youth camp, school or other youth-serving organization, such as the Boy Scouts of America or Young Men's Christian Association (YMCA)."			X
3	Appropriate adult supervisors.	25 TAC §265.12(b)	"Adult supervisors. Each youth camp shall have at least one adult supervisor who is responsible for the supervision of no more than ten children in the camp. For any hazardous activity the supervisor(s) must be in the immediate vicinity (within sight and/or hearing) of the campers. An "all camp" sedentary activity, not requiring physical activity, may require less supervision, and each camp shall establish its own guidelines, but not less than one adult supervisor to every 25 campers. The camp director shall not be included in the supervisor to camper ratio in camps serving over 50 campers at one time."			X
4	Supervision of hazardous activity.	25 TAC §265.12(c)	"Supervision of hazardous activity. Hazardous camp activities shall be conducted by and under the direct supervision of a qualified adult capable of implementing safety standards established by the department or the camp. The specialist shall also have documented training or at least two years documented experience in conducting the activity."			X

5	Written personnel policies and practices.	25 TAC §265.12(d)	"Written personnel policies and practices. A camp shall have written personnel policies and practices for both campers and staff. Supervisors shall be informed of these policies and practices prior to assuming responsibility for campers."		X	
6	Staff member character and integrity records	25 TAC §265.12(e)	"Staff member character and integrity records. The camp management shall ascertain and have on record information, such as a letter of reference, attesting to the character and integrity of each staff member, and information, such as training certificates, attesting to the ability of each staff member to perform the tasks required in his or her position."		X	
7	Annual criminal background check (all adult staff and all adult volunteers)	25 TAC §265.12(f)	The camp management shall have on file a record of any criminal conviction for all adult staff members and all adult volunteers working at the camp. (1) an annual criminal background check consisting of either: (A) performing a criminal background check; or (B) including a question on an employment or volunteer application asking for a history of criminal convictions. If this question is answered with "Yes," then the camp must obtain documentation of the criminal conviction.			X
8	Annual sex offender registration record check (all adult staff and all adult volunteers)	25 TAC §265.12(f)	(2) performing an annual background check using a Sex Offender Registration database for each staff member's permanent residence and educational residence if applicable. A hard copy printout of the search results, whether or not the results are positive, must be maintained with the criminal background documentation.			X

9	Sexual abuse and child molestation training and examination program documentation	25 TAC §265.12(g)	"(g) Sexual abuse and child molestation training and examination program. (1) Effective June 1, 2006, a youth camp licensee may not employ or accept the volunteer service of an individual for a position involving contact with campers at a youth camp unless: (A) the individual submits to the licensee or the youth camp has on file documentation that verifies the individual within the preceding two years has successfully completed the training and examination program required by this subsection; or (B) the individual successfully completes the youth camp's training and examination program approved by the department during the individual's first workweek, and prior to any contact with campers unless supervised during the first workweek by an adult who has successfully completed the program. The youth camp must have documentation on file and available for inspection within two business days of request by the department verifying that the individual successfully completed the youth camp's training and examination program."				X
10	Appropriate records retention	25 TAC §265.12(h)	"Records retention. All applications, background check reports, training documentation, and other required personnel documentation required by these rules shall be maintained in hard copy or electronic format for a minimum of two years following a person's last day of service."	X			
11	Location not a fire, health, or safety hazard	25 TAC §265.13(a)	"Safety of the location. The location of a camp shall not present a fire, health, or safety hazard."			X	
12	Premises free of accumulations of refuse and debris.	25 TAC §265.13(b)	"Accumulation of refuse and debris. The premises of each camp shall be kept free of accumulations of refuse and debris."	X			
13	Buildings comply with applicable codes.	25 TAC §265.13(c)	"Compliance with building, plumbing, electrical and life safety codes. All camp buildings shall comply with applicable building, plumbing, electrical, life safety, and similar codes."			X	
14	Permanent structures clean and in good repair	25 TAC §265.13(d)	"Permanent living or sleeping structures. All permanent structures used for living or sleeping purposes in the camp shall be provided with walls, floors, and ceilings that shall be kept clean and in good repair."	X			

15	Separate beds, bunks or cots	25 TAC §265.13(e)	"Separate beds, bunks or cots. A separate bed, bunk, or cot shall be required for each person. Beds shall be spaced in a manner that is free of obstruction for entering and exiting."	X		
16	Bunk bed guardrails	25 TAC §265.13(f)	"Bunk bed guardrails. In all rooms housing campers, all bunk beds shall have at least two guardrails, one on each side of the bed for each bed having the underside of its foundation more than 30 inches from the floor in accordance with the Code of Federal Regulations (CFR), 16 CFR, Part 1513.3."	X		
17	Location of sleeping quarters	25 TAC §265.13(g)	"Location of sleeping quarters. Sleeping shall not be permitted in kitchens or in rooms used for food preparation, storage, or service."	X		
18	Bedding provided by the camp	25 TAC §265.13(h)	"Bedding provided by the camp. All articles of bedding provided by the camp, including mattresses and mattress covers, shall be kept clean and in good repair. Any bedroll provided by the camp and used by campers must be properly cleaned between use by different individuals."	X		
19	Adequate number of toilets and urinals	25 TAC §265.13(i)	"Toilets and urinals. The camp shall provide at least one toilet for every 15 females and one toilet for every 15 males. In each male toilet facility, up to 70% of the toilets required may be urinals. In facilities with more than one toilet, some means of privacy must be provided for each toilet."		X	
20	Adequate number of lavatories	25 TAC §265.13(j)	"Lavatories. The camp shall provide at least one lavatory adjacent to toilet facilities. In facilities with more than five toilets or urinals in a room, there must be a minimum of two lavatories."		X	

21	Adequate hand cleanser available	25 TAC §265.13(k)	"Hand cleanser required. Each lavatory must be equipped with one of the following methods to sanitize hands: (1) lavatories with hot and cold running water must have soap or hand cleanser available at all times; (2) lavatories with only cold running water must have hand sanitizer or anti-bacterial soap available at all times; or (3) privies and portable toilet facilities not equipped with lavatories providing water must have waterless hand sanitizer available at all times."		X	
22	Adequate shower facilities	25 TAC §265.13(l)	"Shower facilities. Resident youth camps must provide at least one shower for every 15 females and one shower for every 15 males. Each shower shall be equipped with water to meet the needs of the campers. There shall be soap or body cleanser available at all times."		X	
23	Cleanliness and sanitation of toilets, lavatories and bathing facilities	25 TAC §265.13(m)	"Cleanliness and sanitation of toilets, lavatories and bathing facilities. All toilets, lavatories, and bathing facilities shall be maintained in good repair and kept clean at all times. Every shower room floor shall be washed daily with a suitable detergent or sanitizing agent."	X		
24	Construction of privies	25 TAC §265.13(n)	"Construction of privies. Privies, if provided, shall be constructed according to standards set forth in the Texas Community Sanitation Handbook, which may be obtained from the department by calling the Environmental Health Group, Policy, Standards and Quality Assurance Unit at 512-834-6770. Privies shall be maintained in a manner to prevent access by flies and animals, to prevent fly breeding, and to prevent contamination of any water supply."		X	
25	Toilet tissue available	25 TAC §265.13(o)	"Availability of toilet tissue. Toilet tissue shall be available at all times for each toilet or privy seat."	X		
26	Toilets and bathing facilities adequately ventilated and lighted	25 TAC §265.13(p)	"Lighting and ventilation in toilet and bathing facilities. All permanent toilets and bathing structures shall be adequately ventilated and properly lighted."	X		

27	Potable water supply	25 TAC §265.13(q)	"Potable water supply required. Camps shall ensure that all water used for ingestion comes from a TCEQ approved potable water source that meets all applicable standards of 30 Texas Administrative Code (TAC), Chapter 290, Public Drinking Water, Subchapter D, Rules and Regulations for Public Water Systems, as amended."			X
28	Private water wells	25 TAC §265.13(r)	"Private water wells at youth camps. Camps utilizing a private well system for water must have written confirmation from the TCEQ that the water quality meets 30 TAC, Chapter 290, Public Drinking Water, Subchapter F, Drinking Water Standards Governing Drinking Water Quality And Reporting Requirements For Public Water Systems, as amended. The written confirmation must be given to a department representative upon request."			X
29	Disposal of wastewater	25 TAC §265.13(s)	"Disposal of youth camp wastewater. All camp wastewater must be disposed of into a community sanitary sewage system or an approved On-site Sewage Facility in accordance with 30 TAC, Chapter 285, On-Site Sewage Facilities. In remote areas, the use of chemical toilets or pit privies is allowed, if the facilities are built and maintained in accordance with manufacturer designs or the Texas Community Sanitation Handbook."			X
30	Disposal of solid waste	25 TAC §265.13(t)	"Disposal of solid waste. Solid wastes shall be disposed of at a TCEQ approved sanitary landfill or other disposal facility approved by TCEQ under 30 TAC, Chapter 330, Municipal Solid Waste."			X
31	Permanent Food Service Facilities	25 TAC §265.13(u)	"Permanent food preparation, storage and service areas. Permanent food preparation, storage and service areas must be maintained in compliance with 25 TAC, Chapter 229, Subchapter K, §229.161 et seq., Texas Food Establishments, as amended."	X	X	X
32	Maintenance and operation of campsites	25 TAC §265.14(a)	"Maintenance and operation of primitive campsites. Primitive campsites shall be maintained and operated in a safe and healthful manner."		X	

33	Drinking water at primitive camp, on hikes, or on trips away	25 TAC §265.14(b)	"Drinking water at primitive camp, on hikes, or on trips away. Drinking water used at primitive camps and on hikes and trips away from permanent campsites shall be from a source known to be safe or shall be rendered safe."			X
34	Toilet facilities at primitive campsites	25 TAC §265.14(c)	"Toilet facilities at primitive campsites. Primitive campsites that are not provided with approved toilet facilities shall have a separate toilet area designated for each sex. Slit trenches or cat holes with a readily available supply of clean earth backfill or other disposal methods approved by the department's Policy, Standards, and Quality Assurance Unit, shall be utilized for the disposal of human excreta in these areas. Approval must be received in writing prior to implementation. Toilet areas shall be located at least 150 feet from a stream, lake, or well, and at least 75 feet from a campsite, tent, or other sleeping or housing facility."			X
35	Disposal of solid wastes at primitive campsites	25 TAC §265.14(d)	"Disposal of solid wastes at primitive campsites. Solid wastes that are generated in primitive camps shall be disposed of at a TCEQ approved sanitary landfill or other disposal facility approved by TCEQ under 30 TAC, Chapter 330, Municipal Solid Waste."			X
36	Food service at primitive campsites	25 TAC §265.14(e)	"Food service at primitive campsites. Only foods that can be maintained in a wholesome condition with the equipment available shall be used at primitive camps."		X	
37	Hot water and detergent to wash food utensils	25 TAC §265.14(f)	"Use of hot water and detergent to wash food utensils. Hot water and detergent shall be used to wash all food utensils after each meal at primitive campsites."		X	
38	Supervision of campers at primitive camps	25 TAC §265.14(g)	"Supervision of campers at primitive camps. Campers utilizing primitive camps shall be adequately supervised at all times by a responsible adult who is knowledgeable concerning proper wilderness camping techniques. A minimum of one such supervising adult for each ten campers shall be maintained in the immediate vicinity (within sight and/or hearing) of the campers."			X

39	Record of an on-call physician	25 TAC §265.15(a)	"Record of an on-call physician required. Documentation shall be kept on file of a physician licensed to practice in Texas who is available to be on call at all times to advise health service personnel on all first aid and nursing services provided by the camp."			X
40	Emergency transportation available	25 TAC §265.15(b)	"Emergency transportation. Transportation must be available at all times to transport any sick or injured camper in an emergency."			X
41	Medical staffing appropriate	25 TAC §265.15(c)	"Medical staffing requirements. A physician, registered nurse, licensed vocational nurse, or a person with an American Red Cross Emergency Response certificate, or its equivalent, shall be in the camp and on call at all times, and will be considered the Camp Health Officer. For camps having documented evidence, such as a letter from the local emergency medical services (EMS), that the camp is located within a 20 minute community EMS response time, a person certified in American Red Cross Community First Aid and Safety, or its equivalent, shall be in the camp and on call at all times, and will be considered the Camp Health Officer."			X
42	Incidents of abuse or neglect of a minor reported	25 TAC §265.15(d)	"Requirement to report incidents of abuse or neglect of a minor. If a person, including any member of camp staff, a camp counselor, or camp director has cause to believe that a minor has been or may have been abused or neglected as those terms are defined in the Texas Family Code, Chapter 261, then that person shall immediately make a report, in accordance with Family Code, §261.101(a) to the department's Policy, Standards and Quality Assurance Unit, as required by §261.103(a)(3)."			X
43	Camper death or communicable diseases reported	25 TAC §265.15(e)	"Requirement to report camper death or communicable diseases. Camper death or confirmed cases of waterborne or foodborne diseases, such as cholera, dysentery, typhoid, salmonellosis, shigellosis, or infectious hepatitis, shall be reported to the department's Policy, Standards, and Quality Assurance Unit, within 24 hours of occurrence (or confirmation in the case of disease). "			X

44	Designation of a first aid area	25 TAC §265.15(f)	"Designation of a first aid area. A first aid area, used exclusively to handle health and emergency cases, shall be designated and suitably equipped."		X	
45	Isolation of a child with a communicable disease	25 TAC §265.15(g)	"Isolation of a child with a communicable disease. A child ill with a confirmed or suspected case of a communicable disease shall be isolated to provide safety to other children and quiet to the patient. Any child that is isolated shall be supervised as determined by the Camp Health Officer."		X	
46	Bound medical log	25 TAC §265.15(h)	"Bound medical log required. A bound medical log, or other unalterable record keeping system, listing date, name of the patient, ailment, name of the Camp Health Officer, and the treatment prescribed shall be kept in the first aid area for the duration of the camp year for which the license is issued."	X		
47	Camper health records kept on file	25 TAC §265.15(i)	"Camper health records shall be kept on file. The first aid area shall keep a health record on each child with the child's name, allergies, immunizations, parent's name, address, and telephone number, and parent or guardian authorization for emergency medical care."	X		
48	Emergency telephone available	25 TAC §265.15(j)	"Availability of an emergency telephone. The camp shall have a telephone readily available, preferably in the first aid area, for emergency use."	X		
49	Required emergency plans	25 TAC §265.15(k)	"Emergency plans required. A written plan of procedures to be implemented in case of a disaster, serious accident, epidemic, or fatality shall be formulated and posted in the camp's administrative on-site office or location. All camp staff and volunteers must be made aware of this plan during the staff-training program or volunteer briefing. Documentation of this training must be kept at the camp's administrative on-site office or location."		X	

50	Storing and dispensing of prescription medication	25 TAC §265.15(l)	"Storing and dispensing prescription medication to campers. If a child is taking a prescription medication when he or she reports to camp, the medication must be in the original container with the prescription label, and the medical staff shall place that medication in a lockable cabinet or other secure location that is not accessible to campers. The medication shall be administered by the Camp Health Officer or camp counselor, if authorized in writing by the Camp Health Officer. At no time will the child be allowed to self-administer the medication without adult supervision."			X
51	Camp trip first aid kits	25 TAC §265.15(m)	"Camp trip first aid kits. First aid kits shall be taken on all out-of-camp trips."	X		
52	Adult waterfront director	25 TAC §265.16(a)	"Adult waterfront director required at youth camps. An adult waterfront director, who holds a current lifeguard certificate or its equivalent, shall be in charge of all waterfront activities. While waterfront activities are in progress, the waterfront director or an adult certified lifeguard assistant shall be in the immediate vicinity (within sight and/or hearing) of the campers, supervising the program."			X
53	Responsibilities of the waterfront director	25 TAC §265.16(b)	"Responsibilities of the waterfront director. The waterfront director is to be responsible for all waterfront supervision procedures and is responsible for ensuring that the waterfront procedures are strictly enforced. The waterfront staff shall not engage in personal recreational swimming, boating or any other waterfront activity while on waterfront duty. For every 35 campers, or fraction thereof, engaged in waterfront activities, there shall be one certified lifeguard and one additional person (either a certified lifeguard or trained adult lookout) on duty. Camps utilizing natural bodies of water such as rivers, lakes, or creeks may need to increase this ratio."			X
54	Maintenance and operation of swimming areas	25 TAC §265.16(c)	"Maintenance and operation of swimming areas. Swimming areas shall be maintained and operated in a safe and clean condition."		X	

55	Swimming pools	25 TAC §265.16(c)	"Youth camp swimming pools are class C pools, and must be built, operated, and maintained in accordance with 25 TAC, Chapter 265, General Sanitation, Subchapter L, Standards for Public Pools and Spas."	X	X	X
56	Camper's swimming ability determined	25 TAC §265.16(d)	"Camper's swimming ability must be determined. Camps shall test to determine each child's swimming ability. Children shall then be confined to the limits of swimming skills for which they have been classified. Also, the swimming area shall have areas for non-swimmers, intermediates, and swimmers clearly marked."		X	
57	Bathers checked in and out of the water	25 TAC §265.16(e)	"Checking bathers in and out of the water. A method of checking bathers in and out of the water shall be established and enforced. "		X	
58	Waterfront lifesaving equipment provided	25 TAC §265.16(f)	"Waterfront lifesaving equipment shall be provided. Lifesaving equipment suitable for the waterfront activity shall be provided at the waterfront activity area and placed so the equipment is immediately available in case of an emergency."			X
59	Personal flotation device provided	25 TAC §265.16(g)	"Providing a personal flotation device. A Coast Guard approved Personal Flotation Device (PFD) shall be readily available for each occupant of a watercraft. Each occupant of a watercraft 12 years of age and under shall wear a United States Coast Guard (USCG) approved inherently buoyant Type II PFD, or Near-Shore Buoyancy Vest at all times while in the watercraft. A non-swimmer shall wear a USCG approved inherently buoyant Type II PFD, or Near-Shore Buoyancy Vest and not be permitted in a watercraft unless accompanied by a counselor. A camper shall wear a vest type USCG approved preserver before entering and while in white water or before entering and while on a lake when the water is rough or while waterskiing."			X
60	Location of swimming areas	25 TAC §265.16(h)	"Location of swimming areas. Swimming areas shall be used exclusively for swimming while swimming is occurring. A watercraft docking area shall not be allowed in the swimming area and waterskiers shall not launch, cross, or stop in the swimming area while swimming is occurring."	X		

61	Firearm or pellet gun program	25 TAC §265.17(a)	"Firearm or pellet gun programs at youth camps. A firearm or pellet gun program shall be conducted on a range that meets or exceeds the specifications outlined by the National Rifle Association or its equivalent. Safety procedures shall be enforced whenever the range is in use. The range shall be conspicuously marked and configured to prevent entry of campers onto the range while it is in use."		X	
62	Archery program	25 TAC §265.17(b)	"Archery program at youth camps. An archery program shall be conducted on a range that meets or exceeds the specifications outlined by the National Field Archery Association or its equivalent. The archery range shall be conspicuously marked and configured to prevent entry of campers onto the range while it is in use."		X	
63	Program equipment condition and use	25 TAC §265.17(c)	"Program equipment condition and use. Equipment used in all programs shall be kept in good condition and present no hazard as a result of poor condition to the user at any time."		X	
64	Storage of firearms, pellet guns, and archery equipment when not in use	25 TAC §265.17(d)	"Storage of firearms, pellet guns, and archery equipment when not in use. Firearms, pellet guns, ammunition, and archery equipment shall be kept in a secured area when not in use."			X
65	Safety and maintenance of tools used by campers	25 TAC §265.17(e)	"Safety and maintenance of tools used by campers. All tools, including power tools, used by campers shall be maintained in good repair, shall have the necessary safety guard attached, and shall be used only under supervision."		X	
66	Horseback riding program	25 TAC §265.17(f)	"Horseback riding programs. Camps providing horseback riding programs shall require the head instructor or director of the program to follow the camp's riding program and safety procedures outlined in a written document. This document shall include the following: (1) procedures to be followed in the event of an accident; (2) procedures to determine each horse's suitability for safe use; (3) proper care of tack and equipment; (4) proper procedure for mounting; (5) the number of riders per supervisor, and (6) any other information that is specific to the camp's equestrian program or is helpful to the horseback riding director."		X	

67	Record keeping and care of horses	25 TAC §265.17(g)	"Record keeping and care of horses. Camps providing horseback riding programs shall: (1) ensure that horses that are in use are sound and in good physical condition; (2) ensure that the stable area is kept clean and free of all hazards; and (3) require all riders (campers and instructional staff) to wear hardhats. "	X		
68	Adventure/challenge course	25 TAC §265.17(h)	"Adventure/challenge courses. Camps providing an adventure/challenge program utilizing belaying, spotting, or non-spotting elements must: (1) designate a certified adventure/challenge program manager, who shall be in attendance whenever the adventure/challenge program is operating; (2) ensure that the adventure/challenge program is operated and maintained in a safe manner; (3) develop a set of site-specific policies and procedures, which establish criteria for all adventure/challenge operations, including equipment used and safety precautions; (4) ensure that spotters and belayers are instructed in the proper procedures prior to assuming their duties, and that they are directly supervised until competency is demonstrated; (5) establish a method to control access to the equipment and the activity area in order to prevent use by unauthorized or unsupervised campers; (6) perform safety checks of all equipment and ropes prior to each use and maintain a record of all inspections and maintenance; (7) provide a safety orientation for each camper prior to allowing the camper to engage in adventure/challenge activities; (8) ensure that all campers engaged in adventure/challenge activities are wearing appropriate personal protective equipment; and (9) provide documentation of an annual physical inspection of the adventure/challenge course and equipment by an insured third party inspector."		X	
69	Fire and safety codes	25 TAC §265.18(a)	"Fire and safety codes. Facilities at all youth camps shall meet local fire and safety codes."		X	
70	Fire exits in buildings	25 TAC §265.18(b)	"Fire exits in buildings. All buildings in which groups of people live, eat, sleep, or assemble shall be provided with ready exits for use in case of fire and these exits shall be conspicuously marked."		X	

71	Disaster and evacuation procedures	25 TAC §265.18(c)	"Disaster and evacuation procedures. All youth camps that provide permanent or semi-permanent structures for group living, eating, sleeping, or assembly shall have disaster and evacuation procedures outlined in writing. These procedures shall be reviewed by the staff with specific assignments made to each staff member and counselor. All campers shall be instructed as to their actions in the event of fire, disaster, or the need to evacuate."		X	
72	Storage of flammable or explosive materials	25 TAC §265.18(d)	"Storage of flammable or explosive materials. Containers of gasoline, flammables, or explosives shall be plainly marked and stored in a locked area separate and apart from any and all permanent and semi-permanent structures used by campers. The presence of such materials shall be kept to a minimum."	X		
73	Inspection of vehicles used for transportation of campers	25 TAC §265.19(a)	"Inspection of vehicles used for transportation of campers. Any vehicle used for transporting children on public roadways must have all current and applicable Department of Public Safety vehicle inspections."		X	
74	First aid kits in vehicles transporting campers or staff	25 TAC §265.19(b)	"First aid kits in vehicles transporting campers or staff. Every vehicle used for transporting staff or campers off site shall be equipped with a first aid kit and emergency equipment such as fire extinguishers, tools, and flares."	X		
75	Drivers have a valid driver's license	25 TAC §265.19(c)	"Drivers shall have a valid driver's license. All drivers must be adults and hold a valid driver's license appropriate for the type of vehicle being driven."		X	
76	Location of animals	25 TAC §265.20(a)	"Location of animals. Horses and other animals maintained at any camp shall be quartered at a reasonable distance from any sleeping, living, eating, or food preparation area."	X		
77	Location of stables or corrals	25 TAC §265.20(b)	"Location of stables or corrals. Stables and corrals shall be located so as to prevent contamination of any water supply. Manure shall be removed from stalls and corrals as often as necessary to prevent a fly problem."	X		

78	Animals in waterfront areas	25 TAC §265.20(c)	"Animals in waterfront areas prohibited. Horses, dogs, or other domestic animals or pets shall not be permitted on a bathing beach or in the water near the beach when in use for waterfront activities."	X		
79	Rabies vaccinations of animals	25 TAC §265.20(d)	"Rabies vaccinations of animals. All dogs and cats owned or under the supervision of anyone on the camp premises shall be currently vaccinated against rabies in compliance with Health and Safety Code, §826.021. Evidence of vaccination must be provided to a department representative upon request."		X	
80	Insect, rodent or other pest infestation prevention	25 TAC §265.21(a)	"Prevention of insect, rodent or other pest infestations. The camp management shall maintain every building used or intended for human habitation in a manner to keep it free from insects, rodents, and other pests."		X	
81	Storage of chemical control agents	25 TAC §265.21(b)	"Storage of chemical control agents. Chemical control agents, insecticides, rodenticides, and other hazardous chemicals shall have the containers plainly marked and be stored in a locked area not accessible to campers. The presence of such chemicals shall be kept to a minimum."	X		
82	Nudity Prohibited	25 TAC §265.22	"A youth camp may not allow campers or staff to be nude except when bathing, showering, changing clothing, or receiving medical care."	X		
83	Interference with an inspection	25 TAC §265.25(c)	"Interference with an inspection. A department representative in pursuance of his/her official duties is not required to seek permission to conduct inspections or investigations. It is a violation of the Act for a person to interfere with, deny, or delay an inspection or investigation conducted by a department representative."			X
