FREE Project Firstline Infection Prevention Training

Just **CLICK HERE:** [Project Firstline | Infection Control | CDC](#)

BONUS: Facilities with the **MOST** personnel to complete one or more modules will be eligible to send a representative to a free course of your choosing!

- ☑ Introduction to Infection Prevention Essentials (great for newbies)*
- ☑ CIC Exam Study Course and Exam Scholarship (great for Infection Prevention veterans)*

Just send a list of personnel who have completed one or more training modules each month, and specify which course you would like to attend! DSHS will reach out to those who are selected for the classes in May 2021!

Email Monthly Tracking lists to
HAITexas@dshs.state.tx.us

*Classes will be held in Summer 2021 and Spring 2022. These may be held virtually, depending on COVID-19 restrictions and social distancing recommendations.
