This memo announces revisions to the subject policy as follows. The policy is effective April 1, 2016. At that time it will be posted and you may update your Policy and Procedures Manual by accessing the WIC Website at: http://www.dshs.state.tx.us/wichd/policy/table_of_contents.shtm

**Summary of Revisions**

*Texas WIC Policy AC: 29.0 WISE Cost Report, WIC 227A*

This policy has been updated to remove the reporting requirement related to calculating the costs of immunizations.

**Summary of Changes:**

1. **Purpose:** Removed the requirement to comply with a federal mandate to conduct an annual cost per shot calculation.
2. **Policy:** Removed the State Agency’s mandated fifth reporting category - cost of providing immunizations.
3. **Guidelines:** Removed the reference to the fifth reporting category.

These policy changes were submitted for TALWD for review.
