This memo serves to correct instructions given in Memorandum #19-097 regarding voter registration procedures.

The Texas Elections Code does not require mail-in voter registration applications to be mailed to the County Voter Registrar of the applicant’s home county. Instead, they should be mailed to the County Voter Registrar of the county where the WIC clinic is located. A list of County Voter Registrars may be found at https://www.sos.state.tx.us/elections/voter/votregduties.shtml.

The State Agency is currently revising Texas WIC GA:19.0 – Compliance with the National Voter Registration Act of 1993, where these procedural changes will be reflected. A final revision will soon be sent to USDA for approval.
