Appointment System

Purpose

To ensure that full and complete documentation is available to answer all questions related to processing time frames; to capture applicant information in a timely manner and avoid duplication of collection of data; and to increase participation in the WIC Program by pregnant women, especially those in the early stages of the pregnancy.

Authority

7 CFR Part 246.7 (e) (2)

Policy

The local agency (LA) must utilize the MIS to record applicant appointment information.

Procedures

I. Each pregnant woman who misses an appointment to apply for participation in the WIC Program must be contacted by the family’s preferred contact method (captured in the MIS) to reschedule the appointment. If contact cannot be made, an attempt must be made to contact by an alternate method.

II. Every attempt must be made to explain the benefits of the Program and to assist the applicant in determining an appointment time which is mutually acceptable.
Guidelines

The MIS will send text and email appointment reminders if that is the family’s preferred method of contact. If preferred method is phone or mail, then the best practice is for the LA to remind them by that method.
Nondiscrimination

Purpose

To ensure that WIC program requirements/benefits are consistently applied to all applicants/participants regardless of race, color, national origin, age, sex, or disability and the civil rights of WIC applicants/participants are protected.

Authority

7 CFR Part 246.8; USDA FNS Instruction 113-2, Rev. 1; 25 TAC §31.29, USDA WIC Policy Memo 2012-2

Policy

Standards used for determining eligibility and participation in the WIC Program and for the delivery of services must be the same for everyone regardless of race, color, national origin, age, sex, or disability. All materials concerned with outreach, nutrition education, program information, or participants' rights that are distributed to the public or posted for public viewing must include a nondiscrimination statement.

Procedures

I. At the time of each certification, the participant or parent/guardian/caretaker of the participant must be asked to read, or be read to, and sign the Rights and Responsibilities of a participant in the Program.

II. Copies of the “Fair Hearing” poster, in English and Spanish, must be prominently displayed on the premises in the waiting area(s). For those clinics without a waiting area, clinics must display in the reception/entrance area.
III. The United States Department of Agriculture (USDA) poster, “And Justice for All,” in English and Spanish, must be prominently displayed on the premises in the waiting area(s). For those clinics without a waiting area, clinics must display in the reception/entrance area.

IV. At the time of denial of participation or termination from the Program, each individual must be informed in writing of the right to a fair hearing and of the method by which a hearing may be requested. Refer to Policies: CR:03.0 Fair Hearing Procedure for Applicants/Participants and CS:23.0 Notification of Ineligibility, Disqualification, Termination, or Expiration of Eligibility.

V. When the LA has reached its authorized caseload and initiated a waiting list of applicants, an applicant's priority must not be determined based on race, color, national origin, sex, or disability.

VI. The following nondiscrimination statements are approved by USDA:

A. Long Version in English:
In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Esta institución es un proveedor que ofrece igualdad de oportunidades.

D. Short Version in Spanish: Esta institución es un proveedor que ofrece igualdad de oportunidades.
VII. Materials, incentive items and public service announcements (PSA) developed, produced and/or purchased by LAs must include an approved nondiscrimination statement in the appropriate language. Specific guidelines and exceptions are detailed below:

A. A nondiscrimination statement is not required to be imprinted on Items such as cups, buttons, magnets and pens that identify the WIC program, when the size or configuration makes it impractical.

B. Radio and television PSAs are generally short in duration; therefore, the nondiscrimination statement does not have to be read in its entirety. Rather a statement such as “USDA is an equal opportunity provider and employer” is sufficient to meet the nondiscrimination requirement.

C. Nutrition education materials and breastfeeding promotion and support materials that strictly provide a nutrition message with no mention of the WIC Program, are not required to contain the nondiscrimination statement.

D. The short version of the nondiscrimination statement must only be used when space prohibits the use of the long version.

E. The nondiscrimination statement must be in print size no smaller than the text.

VIII. If the LA develops materials with photographs or graphics of participants, to the extent possible, the photos/graphics must depict participants of different races, colors, national origins, sexes, ages, and disabilities to convey the message of equal opportunity. A media release form must be signed by all participants whose image is used for WIC materials.
