SUBJECT: Register for Santa Fe Community College Spring 2021 Nutrition Courses

Are you interested in learning more about nutrition? If so, consider expanding your knowledge by taking online nutrition courses available through Santa Fe Community College (SFCC).

Who is eligible?

Staff who have approval from their WIC Director are eligible to enroll. A high school diploma is recommended but not required.

How does it work?

The local agency may bill under either Administration or Nutrition Education for payment of the courses. Reimbursement from the state agency is contingent upon successful completion of all courses by the WIC staff member with a letter grade of a ‘C’ or better. If the student does not successfully pass the course with a letter grade of a ‘C’ or better, it is the local agency’s decision to determine if the staff member is responsible for reimbursement. Time off requests for continuing education is subject to approval. For more information, staff should refer to their local agency policy. The WIC staff member is responsible for purchasing textbooks. Please note that WIC does not endorse Santa Fe Community College or those employed with the facility.
Registration for Spring 2021 Semester at SFCC

Spring courses are various weeks in length depending on the course reference number (CRN) chosen. Santa Fe Community College is offering multiple online nutrition courses this Spring 2021:

- **Human Nutrition (NUTR 2110)**
- **Nutrition in Chronic Disease (NUTR 2150)**
- **Dietary Guidelines (NUTR 1120)**
- **Stress Management (HLED 1160)**
- **IM Lifestyle Change (EXSC 2130)**

Please see the table at the end of the memo for a complete list of SFCC nutrition courses with their course numbers.

When registering for courses, please remember that although classes may appear to be full, seats are always set aside for WIC students.

Textbooks may be ordered and shipped through the SFCC online bookstore using a credit card OR through most major online booksellers. Important: Students should have their textbook available the first day of class.
