Memorandum

#21-067

TO: WIC Regional Directors
    WIC Local Agency Directors

FROM: Amanda Hovis, Director
      Nutrition Education/Clinic Services Unit
      Nutrition Services Section

DATE: July 15, 2021

SUBJECT: Medela Pump In Style with MaxFlow Training

Texas WIC will be hosting a virtual training on the new Medela Pump In Style with MaxFlow #10104135 single-user pump and review any recent changes to the Harmony flanges (and flanges in general). This training will be conducted by Medela staff.

Join us on one of the following dates and times:

- 07/21/2021 (Wednesday) at 12:00PM
- 07/23/2021 (Friday) at 10:00AM

The same information will be presented at both trainings, so staff should select only one session to attend. Click here to join the training.

Each training will cover the following topics:

- Assembly of pump and kit
- How to use the pump
- Proper flange fitting
- Cleaning of pump and kit
- Basic troubleshooting

This training will be conducted over Microsoft TEAMS. The training will be recorded and made available to staff on Egnyte following the events. In order to avoid disruptions and background noises during the presentation,

This institution is an equal opportunity provider.
we will be muting all attendees. We recommend that all attendees make sure they have the proper equipment prior to this training.

This consists of:

- Desktop or Laptop Computer
- Internet browser: Chrome (preferred), Edge or Fire Fox
- Working video and audio capability on their computer
- If there are concerns about the technology for this course, consult your local agency IT person
