SUBJECT: New Recorded trainings, live online trainings and new
          training schedule now available for October and November

New Recorded Trainings Available in the Texas WIC Training Catalog

WIC Certification Overview

Clinic Services is pleased to announce the release of a new training, WIC Certification Overview. This self-paced training is intended to help new WIC staff gain a general understanding of the certification process. Some of the main topics covered in the training include:
• What is a WIC certification?
• The role of the clerk and the role of the nutrition staff
• WIC eligibility criteria
• Confidentiality
• Participant Rights and Responsibilities
• The WIC appointment cycle

This training is recommended for new WIC employees to complete within 30 days of employment. Current staff may also find this training helpful to reinforce current WIC certification procedures. This training can be found as a Featured Event in the catalog.
