

**TEXAS ALZHEIMER'S
RESEARCH AND CARE CONSORTIUM**

A project of the Darrell K Royal Texas Alzheimer's Initiative

**Texas Alzheimer's Research and Care Consortium
2018 Investigator Grants Program
Progress Report**

AWARD NUMBER:

TITLE:

PRINCIPAL INVESTIGATOR:

TARCC SITE:

REPORT DATE: 28 February 2019 (Due by 31 March 2019)
Or
31 August 2019 (Due by 30 September 2019)

Semi-Annual progress reports are due 31 March 2019 (for the period ending 28 February 2019) and 30 September 2019 (for the period ending 31 August 2019). Please include the bolded section headings, but **DO NOT** include the italicized descriptions of section contents in your submitted reports. Please limit your completed progress report to 2 pages. In each section, if there is nothing significant to report during this period, state "Nothing to Report."

1. OVERVIEW:

Narrative abstract that briefly (one paragraph) describes the subject & purpose of the research.

2. ACCOMPLISHMENTS:

What was accomplished under these goals?

Please include pertinent data and graphs in sufficient detail to explain results achieved (major activities, specific objectives, key outcomes, positive/negative findings, developments). Include a discussion of stated goals not met.

Changes/Challenges

Describe any actual or anticipated problems or delays during the reporting period and actions to resolve them, including changes that had a significant impact on budget or expenditures. The PI is reminded that the recipient organization is required to obtain prior written approval from TARCC scientific manager and the Chair of the Council whenever there are significant changes in the project or its direction.

Plans for next reporting period

Describe briefly what you plan to do during the next reporting period to accomplish the goals and objectives.

How were the results disseminated?

List any products resulting from the project during the reporting period, including: a) journal articles, b) relevant books/chapters, c) conference presentations, d) published abstracts, e) any other publications. Include any technologies, inventions, patent applications, etc. Include URL for any internet site that disseminates results.

Changes in funding and/or support

List any grants, contracts, and/or donations received that could be considered logical outgrowths of or related to TARCC funding.

3. TRAINING OPPORTUNITIES

What opportunities for training and professional development has the project provided?

List related training involvement of trainees in the project. Include participation in conferences, workshops, and seminars not listed under major activities.

4. IMPACT (for 31 August 2019 report only)

What was the impact on the field?

Describe distinctive contributions, major accomplishments, innovations, successes, or any change in practice or behavior that has come about as a result of the project.

What was the impact on society beyond science and technology?

Describe how findings, results, or other products from the project made or are likely to make an impact on the knowledge, theory, research in the field as well as implications beyond the bounds of the academic world on areas such as: Improving public knowledge, attitudes, skills; changing behavior, practices, decision making, policies, etc.

5. FINANCIAL STATUS:

Six-month expenditures: (provide total \$ amount expended)

Cumulative expenditures: (provide total \$ amount expended)

Description: Comment on whether the study is on track financially for goals during this six-month period and the entire period of award. If not, describe the causes and whether this will have an impact on completing the project.
