Important Information

- Visit our webpage to pay for your license application fees online.
- To avoid late fees a complete application and all required documentation must be postmarked prior to expiration of the license.

The following documentation is required for licensure in accordance with §295.47 of the Texas Asbestos Health Protection Rules

License fees: (Two-year term)

- Initial/Renewal: \$650.00
- Expired for 90 days or less: \$972.50
- Expired for more than 90 day but less than one year: \$1,295.00

Requirements for an initial license:

- A 1-inch by 1-inch photograph of the face with white background
- A copy of applicant's training certificate from a Department-approved training provider for the asbestos Project Designer, Inspector, Management Planner, and Air Monitoring Technician initial course
- A copy of the current training identification card
- Proof of successfully passing the department's examination for individual consultant
- A copy of physician's statement of the required physical examination done within the past year as described in §295.42(e)(2) of this title (relating to Registration: Asbestos Abatement Workers) and submitted on the department's "Physician's Written Statement" form only
- Verifiable evidence of one of the following:
 - A current registration in the State of Texas as an architect or professional engineer
 - A current highest full-qualification membership in a national professional organization devoted to technical proficiency in environmental or occupational health protection which includes:
 - a. A published code of ethics
 - b. Administration by an active board of directors, and
 - c. Admission requirements that specify college courses and other training, a bachelor's or higher degree, and at least three years of experience in specified fields (examples include the American Academy of Industrial Hygiene and the Board of Certified Safety Professionals), or
 - Possession of a bachelor's degree in architecture, engineering, physical or natural science from an accredited four-year college or university, and four years of experience in areas affecting environmental or occupational health matters
- Verifiable documentation of asbestos-related activity in conjunction with at least six asbestos abatement projects covering a period of at least a year within the past seven years. All asbestos work must be documented as having been performed under the applicable licensed or accredited rules or regulations. **Example format provided below**
- If working for hire, provide proof of professional liability insurance coverage in the amount of \$1 million for errors and omissions, or be covered under an employer's policy as required by §295.40 of this title (relating to Licensing and Registration: Insurance Requirements)

Requirements for license renewal:

- A 1-inch by 1-inch photograph of the face with white background
- A copy of applicant's current training certificate from a Department-approved training provider for the asbestos Project Designer, Inspector, Management Planner, and Air Monitoring Technician refresher courses
- A copy of the current training identification cards
- A copy of physician's statement of the required physical examination done within the past year as described in §295.42(e)(2) of this title (relating to Registration: Asbestos Abatement Workers) and submitted on the department's "Physician's Written Statement" form only
- If working for hire, provide proof of professional liability insurance coverage in the amount of \$1 million for errors and omissions, or be covered under an employer's policy as required by §295.40 of this title (relating to Licensing and Registration: Insurance Requirements)

Military designation:

- Branch: _____
- Provide documentation of military, veteran, or military spouse status
 - Provide detailed documentation concerning military experience and training to be considered towards the issuance of the license
 - Military spouses must provide proof of current licensure in another jurisdiction that has licensing requirements that are substantially equivalent to Texas
