Meeting the needs of our community is a tradition that goes back more than a quarter of a
century at Central Texas Medical Center (CTMC) in San Marcos, Texas. Our heritage as part
of Adventist Health System and our faith-based mission, vision and values demand no less of
us as we endeavor to fulfill our mission of extending the healing ministry of Christ. Our goal is
to be the Best Hospital in Central Texas and offer a complete array of services found at the
best community hospitals in the nation. In achieving that goal we offer top quality health care,
education and interactive programs to help all members of our community learn better ways to
care for themselves and those they love. CTMC and its medical staff of more than 220
consulting physicians sponsor specialty clinics in San Marcos and surrounding communities
including Kyle, Wimberley, Lockhart and New Braunfels. These clinics offer specialists in
cardiology, gastroenterology, neurology, obstetrics and gynecology, oncology, ophthalmology,
oral and maxillofacial surgery, orthopedics, podiatry and general surgery. Through our
CREATION Health Institute, each year CTMC sponsors a variety of free or dramatically
discounted health screenings, health fairs, educational seminars and other community events.
Through our Mission Council and its outreach efforts, a variety of community social service
agencies, non-profits and individuals in need receive volunteer labor and/or funding support
from CTMC organizational and individual associate support. Through the CTMC Foundation
Women’s Council, area non-profits serving women and children are eligible to apply for
annual impact grants. Additionally, annual planning process is conducted in all departments to
review and set goals to make sure that the services provided are meeting the needs of our
community. This information is compiled into an overall strategic plan for the organization.
All existing policies and procedures are reviewed and revised as needed. A Community
Benefits budget is developed each year which analyzes the amount of charity care, Medicaid
revenue, government sponsored indigent care and education and community outreach
programs are provided by CTMC. The Annual Budget is an outgrowth of the data sources
identified in the below referenced Needs Assessment Sources
