I. Charity Care Policy:

1. Include your hospital's Charity Care Mission statement in the space below.

Adventist Health System (AHS) is committed to excellence in providing high quality health care while serving the diverse needs of those living within our service area. AHS is dedicated to the view that emergency and other non-elective medically necessary care should be accessible to all, regardless of age, gender, geographic location, cultural background, physical mobility, or ability to pay.

2. Provide the following information regarding your hospital's current charity care policy.

a. Provide definition of the term **charity care** for your hospital.

A. AHS provides emergency and other non-elective medically necessary care to individual patients without discrimination regardless of their ability to pay, ability to qualify for financial assistance, or the availability of third-party coverage. In the event that third-party coverage is not available, an allocation is made each year for funds to be available for financial assistance.

b. What percentage of the federal poverty guidelines is financial eligibility based upon? Check one.

4

- 1. 100%
- 2. <133%

If NO, please list services not covered for charity care patients (e.g. transplant services, ER services, other outpatient services, physician's fees).

12. Does your hospital pay for charity care services provided at hospitals owned by others?

YES NO

II. Community Benefits Projects/Activities:

Provide information on name, brief description (3 lines), target population or purpose (3 lines) for each of the community benefits projects/activities CURRENTLY being undertaken by your hospital (example: diabetes awareness).

The Community Health Needs Assessment looked at the health-related needs of our broad community as well as those of low-income, minority and underserved populations . The Assessment includes both primary and secondary data. Based on the Coalition work and specific hospital work, the Coalition and Metroplex/Rollins Brook hospitals chose three top priorities for the hospitals to address over the next three years: 1. Obesity high obesity rates in the entire community. 2. Flu vaccinations high rates of flu and deaths form flu in the service area. 3. Integration of mental and spiritual health high need for mental health services, especially among low-income and minority populations.

Additional Information:

Use this space if more space is required for comments or to elaborate on any of the information supplied on this form. Please refer to the response by question and item number.
