

SECTION SIX

SSI REIMBURSEMENT

General Principles

General Principles

- In order to receive retroactive Medicaid reimbursement for SSI appellants, a county must comply with the TDSHS-established standards and procedures contained in this handbook.

 - In order to receive retroactive Medicaid reimbursement for SSI appellants, a county must comply with the TDSHS-established standards and procedures contained in this handbook.

 - Effective October 1, 2008, DSHS can only file Medicaid claims for reimbursement if they are:
 - Paid for CIHCP eligible county residents,
 - received within 95 days from the "SSI add date",
 - AND within 365 days from the date of service.

 - In addition, due to changes in the Texas Administrative Code, all Medicaid claims processed through DSHS must meet the 365-day federal filing deadline.
-

Steps for Applying

Steps for requesting Medicaid reimbursement for SSI appellants.

- **Submit a TMHP Confidentiality Form**
- **Have client sign 113**
- **Have provider sign 113**
- **Submit Form 112 & 113 to TDSHS**

Step 1 County staff must sign and submit a Confidentiality Form to DSHS.

Step 2 County staff must have a potential SSI appellant sign a Form 113, the form must then also be signed by the provider. ****claims paid before signatures are obtained will not be eligible for reimbursement!!****

Step 3 Submit Form 112 with requested reimbursement costs and Medicaid approved claim forms (1500, UB-04 or pharmacy statement).
