

YOUTH SPORTS OPERATORS: Page 4 of 4

Health recommendations for youth sports facilities:

- Develop and implement a Program Activity Hygiene Plan to include:
 - Sanitization of all program areas
 - Sanitization of equipment before and after use
 - Hand washing or hand sanitizing before and after activities
- Group excursions related to youth sports are strongly discouraged, and should be limited or eliminated where feasible. To the extent those excursions continue, develop and implement Transportation Protocols to include:**
 - One individual per seat and every other row in a vehicle
 - Staggered seating for maximum distancing
 - Asking participants and staff to wear face coverings or masks while in vehicle
 - All individuals should sanitize hands upon boarding the vehicle
