I request exemption to the high school or GED requirement authorized under Health and Safety Code Section 773.046(b). I understand the law's requirements and verify that I will serve only as a volunteer ECA during my certification period. If I upgrade to a higher certification level or begin to receive compensation** for providing emergency medical services, from any organization, the exemption is inapplicable and I must comply with the HS/GED requirement or surrender the ECA certificate.

EMS Provider or First Responder Organization Verification

This verification section is to be completed by the DSHS licensed EMS provider or DSHS registered first responder organization (FRO) administrator.

I recommend an exemption of the HS/GED requirement for the above named ECA candidate and verify that he/she has committed to actively provide emergency medical care for our organization, which is a DSHS licensed emergency medical services provider or a DSHS registered first responder organization (FRO), and will not receive compensation** for providing these services. Additionally, to the best of my knowledge, this candidate does not provide emergency care for any other organization in return for compensation**.
