RE: Final Flu Allocation For The 2017-2018 Flu Season

Dear Texas Vaccines for Children (TVFC) Provider,

All Influenza requests placed during Round 1 and Round 2 pre-book periods have been allocated and made available to providers for all presentations.

October 30th, 2017 will be the **Final Flu Allocation** for the 2017-2018 season before Open Ordering begins.

Please make sure all of your vaccine orders are accepted in EVI between October 30th and close of business November 10th. We will provide additional information about the Open Ordering process in the coming weeks.

Thank you for your continued participation in the TVFC Program.

Sincerely,

Nancy Ejuma
